

United Holds Defending Champs to a 0-0 Draw

Tuggeranong United's form reversal continued on Saturday, with the southsiders holding defending premiers and current ladder leaders Belconnen United to a 0-0 draw at McKellar.

With both sides missing several stars, Saturday's clash was a dour affair dominated by defence, and scoring chances were at a premium.

The result means Tuggeranong has secured five points from its last three encounters and head coach Darren Viskovich is hopeful that his side can continue its climb up the table.

"It was a very good point for Tuggeranong as it keeps us moving forward and in sight of the top four," Viskovich said.

"Every single player in a green shirt played very well and did the club proud."

Tuggeranong has a realistic chance of continuing its momentum when it meets a struggling Canberra City side at O'Connor on Sunday in a must-win game for both teams.

Kick-off is at 3pm.
